Waukesha Lodge #37 Sets New Lodge Record for Raising Master Masons

(Waukesha, WI) – Waukesha Lodge #37 is proud to announce the addition of four new Master Masons. Between February 23 and March 4, 2006 – less than ten days – four brothers were raised to the sublime degree of Master Mason. This is new Lodge record when conducting individual degrees.

Gary Ebert, Worshipful Master of the Waukesha Lodge, said members of the Lodge were more than happy to pitch in and get the four brothers raised, working around everyone's schedules. "All four of our new brothers were eager to get raised, and we were equally eager to have such a nice group join our lodge," Ebert said. "Sometimes it can take a long time to get a large group of fellow brethren through their complete journey as they travel seeking further light in Masonry. In this instance, we were pleased that we were able to accommodate them in such a short period of time." Ebert noted, "They are a fine addition to our Lodge and we look forward to the talents and fraternity they offer all of us, as we continue to grow."

The mission of Freemasonry in Wisconsin is to teach and demonstrate a fraternal way of life that promotes brotherhood and self improvement through education, moral standards, charity, and community involvement. Freemasons, in addition to raising money for various charities, also provide scholarships to local high school students and support many other causes. Wisconsin Masonic Charities support a wide range of causes and provide donors with numerous opportunities for personal involvement, serving thousands of individuals each year through programs that support Masonic relief, gifts of education, community health and safety, and youth activities. The Three Pillars retirement home, located in Dousman, was formerly known as The Masonic Home and is also supported by the Masonic Order.
