Waukesha Lodge #37 Introduces New Website

(Waukesha, WI) – Waukesha Lodge #37 is proud to announce the launch of their new Website; www.waukeshalodge.org. The new site features attractive graphics and pictures, and is easy to navigate for users of all skill levels.

The primary intent of the new site is to improve timely communication among the brethren of the Lodge. The site also serves as a valuable promotional tool for the Lodge, offering a plethora of news and information about the Lodge and its and Appendent Bodies to site specific visitors, and the community at large. The new site features a monthly calendar that can be easily updated as events change, or are added, during a given month. It also includes a photo page, loaded with pictures from recent Lodge events, as well as a "Links" page for accessing additional Masonic information.

Gary Ebert, Worshipful Master of the Waukesha Lodge, indicated the update was long overdue and was pleased with the outcome. "This is something we've been discussing and planning for sometime," Ebert noted. "As technology has changed and more and more brethren – and prospective brethren – use the web as a source for information and research, our update could not have been more timely, or necessary. We know it will be a valuable tool for anyone that decides to visit the site."

The mission of Freemasonry in Wisconsin is to teach and demonstrate a fraternal way of life that promotes brotherhood and self improvement through education, moral standards, charity, and community involvement. Freemasons, in addition to raising money for various charities, also provide scholarships to local high school students and support many other causes. Wisconsin Masonic Charities support a wide range of causes and provide donors with numerous opportunities for personal involvement, serving thousands of individuals each year through programs that support Masonic relief, gifts of education, community health and safety, and youth activities. The Three Pillars retirement home, located in Dousman, was formerly known as The Masonic Home and is also supported by the Masonic Order.

If you'd like more information about this lodge or Freemasonry, please contact Worshipful Master Gary Ebert at 262.547.0985.

A Helping Community

Since 1852, Waukesha Lodge No. 37, Free & Accepted Masons has played an integral role in the life of our local community as well as throughout the State of Wisconsin.

Over its 150 plus year history, men from varied walks of life, including three former Governors, have called Waukesha Lodge home. Regardless of one's background, the common bond among all its brothers, past and present, has been the Masonic principles of friendship, morality and brotherly love.

The Mission of Freemasonry

Our mission is to teach and demonstrate a fraternal way of life that promotes brotherhood and self-improvement through education, moral standards, charity and community involvement.

The Waukesha Lodge has approximately 200 members. Stated meetings are held twice a month on the 1st and 3rd Thursdays at 7:30 p.m.
